Alfred Music, United States, 1975. Paperback. Book Condition: New. 307 x 277 mm. Language: English . Brand New Book. All Country guitar styles, whether solo or accompaniment, are based on chords. These are, by and large, the same open position chords you probably already know. Perhaps you have only learned to strum these chords with a pick or with your thumb. Country Guitar will show you how to break up these chords in various ways and enable you to play the exciting new sounds you hear on hit country records.
