In the near future, Britain has given up its constitutional monarchy to become a republic. But though the crown is a museum piece and the family no longer bears its ancient titles, Stephen Windsor feels the stirrings of the lives of ancient Sacred Kings in his bones, which is not surprising as at key points in Britain s history he has been reincarnated to perform the supreme kingly act. And though the throne is empty and forgotten, the Land remembers, and calls once more for a crown upon a royal head. and royal blood upon the ground! History, mystery, steam, steel and blood - this one really does have it all! Mark Ryan (Transformers, Robin of Sherwood, King Arthur).
