Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. My Struggle and Broken Pieces is organized into three major sections. The first covers an entire gamut of issues that arise in an individual's life prior to reaching both natural and spiritual maturity. The book opens by depicting parents as the primary motivators of their children's actions and establishes how their character is formed at a very early age. (Proverbs 22:6) declares we must Train up a child in the way he should go: and when he is old, he will not depart from it, and the author illustrates how parents do this based upon their knowledge and experiences or lack thereof; in accordance with (Hosea 4:6) people are destroyed for lack of knowledge. This ironic tone is set early in the introduction, and then the storyline transcends into a dramatic sequence of events; covering the author's past relationships mixed with a compilation of scripture throughout each chapter. The way in which it transcends, this book does not meet the expectations of a typical autobiography. The story identifies challenges faced by married and single individuals; derived from various facets of life like: immaturity, abusive relationships, bitterness and the list goes on. The character experiences a separation period from Christ and doesn't find peace until one's return to the faith. It's not a replicate of the Bible, yet this book is used as a catalyst to help individuals re-examine their actions; by identifying with real life experiences thru the author's story line, in hopes to redirect their path. Not only will it allow readers to see things from both a natural and spiritual perspective, it will permit them to enjoy the story line and...
