Xulon Press, United States, 2011. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Follow the evidence, wherever it leads. - SocratesWhy another book? Because it is my opinion that while we can get a 300 page book on 1 Christian theological concept, we cannot get a simple book in approximately 100 pages that adequately covers the Christian story in its entirety that we can simply carry with us to reference for on the spot dialogue; the following quote summarize our current plight: Many high school seniors believe that Sodom and Gomorrah were husband and wife, while a majority of Americans cannot name one of the four Gospels. Jay Leno asked his Tonight Show audience one night to name one of Jesus twelve apostles; they came up empty. One in ten Americans believes that Joan of Arc was Noah s wife, and only one-third knows that Jesus (not Billy Graham) preached the Sermon on the Mount. - Washington MonthlyI believe this adequately sums up our current situation in the West and why we must revisit with believer and non-believer alike what it means to be a Christ follower today and not just a church follower at a simple and easy to follow 101 type level. So what would a handy book that one could carry with them that covered all the basics that virtually everyone agrees to on the subjects of: Intelligent Design, Creationism, Philosophy of religion, apologetics, and what the Bible and Jesus says at a basic level, (in approximately 100 pages), look like? Hopefully like this one because that is the exact purpose for why I have compiled it.James Stroud has done undergraduate studies in both History and Religious Studies as well as post graduate studies in Theology...
