Outskirts Press. Hardcover. Book Condition: New. Hardcover. 226 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. EntranceIntroduction to Worship in Islam Allah, the creator of the world could have made us believe and forced us to worship Him but He wants us to worship Him by our free will. He created this sense of freedom in our minds. He loves the people who out of their own free will chose to believe and worship Him. It feels as if we are choosing but actually He is choosing. The fortunate are the chosen ones! They are granted the wisdom to be aware of Him and worship Him. Only when we identify our creator we may identify ourselves and our destiny. Where do we fit in His grand scheme of things. The book is an introduction to Islam for new Muslims. Non-Muslims may certainly benefit from it because here we have collected all the basic information about the practice and the spirit of Islam. Our effort is to inspire without euphoria. Here we present the simple facts of Islam. We focused on providing information in enough detail to be useful. Yet we kept an inspirational tone to encourage further study. We tried to narrate in an interesting course rather than cut and dry facts. We added several short stories to give an inside feel for the spirit of Islam. We took guidance from other books. Particularly, the old books and presented the information in a similar way. The stories from old time of ignorance may be sad. The real tragedy of ignorance is our own era. What we have become even after enormous knowledge He has given us. Human feelings do not change with technical progress. In past, life was difficult and easy in different ways as compare to life of today. We can still...
