In this book his ideas on teaching are written about in a semi-fictional manner that enables readers to think about their own teaching.The dedication he brought to the teaching task has been analyzed to bring out how he taught composition, poetry, drama and the novel. His students in the class of 74 called him Chaucer. We thank York University and the Church of the Nazarene for making it possible for such a great teacher and thinker to sow into our lives. His students have grown to be professors, ministers, ambassadors and many other important careers that are serving the nation of Swaziland in wonderful ways. The life of a Christian teacher is something that can never be replaced in the lives of students.
