Call Me BJ: I was a first year teacher when the sexiest woman I had ever seen took a seat in the front row of my class. It was going to be a long, hard year. I wanted her, but I knew it would be wrong to have her. I was her teacher and she was my student. She was my forbidden fruit and I was willing to do anything to take a bite, absolutely anything. Educating Adrianna: The wild and free spirited Adrianna is unlike most young women of her day, those who are eager to learn the social graces to attract a man of nobility. Knowing that Adrianna's only hope for a life as a lady must now be achieved through a very different means, Adrianna is taught by those considered to be the very best in an erotic art which she discovers is very familiar to some she would never have suspected. Lacey and Mr. Bentley: Lacey's professor has quite the reputation for being the great seducer on campus, and Lacey desperately needs his assistance. The smug professor invites her to his private residence on a Friday night, eager to have the one woman who does not fall at his feet whenever he enters the classroom. Professor Bentley is not the first professor who has tried to have his way with her and Lacey has not yet fallen for even one of their well honed skills of seduction. Selena's First Professor: Selena is beautiful and sensuous and receives a great deal of attention from the young men in her class. The young men in her class are not the only admirers of Selena, however. When...
