Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Pin-Money Suggestions A woman wishing to earn money at home should first carefully consider many things: her aptitude for certain lines of work; her strength; the amount of time she can afford to devote to this new work daily, etc. She should also consider her surroundings, and the needs and purses of her neighbors. It is the purpose of this book to encourage the thousands, and hundreds of thousands of women who desire to take up some remunerative line of work during their leisure hours, either as a means of self-support, or to enable them to earn the extra pin-money, which will warrant their taking some long desired trip, some course of study or to spend on the thousand and one little things which bring so much pleasure into one s life. The following practical suggestions have been furnished by women workers all over the world, and are offered to others as successful methods, by which money may be earned, both in the city and in the country.
