She knows what she's talking about. Fiona's book is vital reading, whether you're interested in a ghostly encounter for a good scare, for paranormal research, or as a spiritual calling to help trapped souls cross over. It's the kind of book that belongs on every ghost hunter's bookshelf. It's a how-to manual and an important reference book. Beginners will learn how to find local haunted cemeteries that are free (and legal) to visit. New ghost hunters will discover the tips tricks that professionals use to find the most haunted cemeteries -- and the ghosts in them -- quickly and easily. In a way, this book is a quick (but thorough) course in ghost hunting at haunted cemeteries, taking readers from absolute beginner to confident researcher in a short amount of time. Professionals will discover Fiona's best-kept secrets to identifying the most active, haunted cemeteries and the hot spots in them. Ms. Broome shares tips to locate sinners graves at church and community cemeteries. She also explains two fast easy ways to find some of the most active graves as soon as you walk through the cemetery gates. Whether you're conducting your own research, training a team, or conducting a ghost-related event, you'll enjoy Fiona's useful ghost hunting tips and insights. Read this book to find real ghosts in your community, and have unforgettable (and perhaps eerie) encounters with the spirit world.
