Market analysis

By Sandra Burgemeister

GRIN Verlag. Paperback. Book Condition: New. Paperback. 32 pages. Dimensions: 8.3in. x 5.8in. x 0.1in. Seminar paper from the year 2003 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: 80, Swinburne University of Technology, Melbourne (MBA Program), course: Strategic Marketing, 19 entries in the bibliography, language: English, abstract: This market analysis is prepared to learn about the specific methodologies required to conduct a sound market analysis for a self-selected market segment. For this purpose, a hypothetical virtual business that serves as a gathering place for Australian breakfast or fresh bread lovers and bakeries has been created. To prove the profitability of this potential opportunity, influencing factors within the Australian baking industry as well as the ecommerce industry are researched. According to Cravens (2000), it is essential to gain an understanding of the market to become market driven. Therefore, the first part of this analysis is often referred to as the PEST analysis, which identifies the external factors that influence the baking and ecommerce industry and thus change the size and composition of the market overtime. The second part is concerned with obtaining internal information about the baking and ecommerce industry, its customers, suppliers, and...
