You have the story of a man unable to erase the spit that his fatherinlaw flings into his face; a young woman caught between the humiliation of rejection and the relentless persuasion to convert; a doctor kidnapped to treat a terrorist in his hideout; a running cricket commentary that brings to life a patient in coma; a pir with magical powers to congeal the blood in the womb of maidens; a dwarfish boy who will stop at nothing to grow tall; an old man who develops intractable hiccups after giving chase to a thief; a bear hug that robs a doctor of his sleep Each story brings alive the human touch as the deft narrative unfolds through scenes and situations, through narratives and dialogues, through drama and suspense, through agony and ecstasy, holding the reader spellbound till the very end.
