Students examine written work prepared by pupils in the training department, and also write plans for conducting language classes, which are later carefully criticized from a practical point of view. This course aims to introduce the student to the best that has been published on the subject of language-teaching, to acquaint him with the various phases of language-work in the grades, also with some of the standard textbooks in language, and to supply him with practical methods for teaching language sensibly and effectively. ENGLISH COURSE FOR HIGH SCHOOL GRADUATES GRAMMAR AXD METHODS. In this course fifteen weeks will be devoted to the study of grammar, and the teaching of grammar in the grades. Its scope will be the entire field of English grammar, with the emphasis laid upon syntax rather than etymology. Students will prepare plans for the teaching of grammar by the inductive method, and will also do a good deal of actual teaching in class. During the last five weeks of this course the subject of study will be Reading in the intermediate and grammar grades. It will be considered under three heads: (1) the selection of subject matter; (2) the mode of presenting this material to children; (3) the ends to be attained by the study of reading. RHETORIC (1) AXD (2), OR COMPOSITION (4) AND (5). Rhetoric (1) and (2) continues the study of the characteristics of the four forms of discourse and how these characteristics may be...
