## Mutual Funds and Exchange-Traded Funds: Building Blocks to Wealth (Hardback)

By -

Oxford University Press, United Kingdom, 2015. Hardback. Book Condition: New. 240 x 167 mm. Language: English . Brand New Book. Mutual Funds and Exchange-Traded Funds: Building Blocks to Wealth offers a synthesis of the theoretical and empirical literature primarily on mutual funds but also discusses related investment vehicles, especially ETFs. In this edited volume, noted scholars and practitioners write chapters in their areas of expertise. It interweaves the contributions of multiple authors into an authoritative overview of important but selective topics. Readers will gain an in-depth understanding of mutual funds and ETFs from experts from around the world. Based on research-based evidence, this is not intended to be a how to book; instead, it is a scholarly and in-depth approach to important investment subjects. Although the book places greater attention on these different types of investments in the United States, it also examines them in a global context. In today's financial environment, mutual funds and ETFs are dynamic areas that continue to evolve at a rapid pace. Because the flow of materials on the subject is voluminous, this book, by necessity, must be selective because it cannot cover every aspect of this field. However, readers can gain important insights...
