The man who would be King and rule the world - the Antichrist roars onto the scene to place planet earth in peril. The U.S.A. is under siege and on the verge of destruction! After nukes are detonated in the Brazilian rain forest and in Mexico, the plot becomes even more sinister as time is measured in the Biblical unit of - a time and a time and half time - and then the end? General George Scott Hammond under presidential mandate to secure the U.S. border with Mexico must fire nukes on unarmed civilians. Rodney and Oliver return from hell to taunt and temp and wreck havoc and mayhem with their laughable but devilishly sinister schemes. The man of power restores life to establish his claim as god and savior. But is he from heaven s shores - or the lower recesses of hell? A military coup establishes control in Washington and reestablishes the parameters of depravity and disregard for human life. The Crew of 8 receives a fearful warning and must face a new threat - will God rain down fire and brimstone on degenerate America? Is it too late? Time is short---but is there enough time to escape the wrath to come?.
