Because they don't know the difference between a Bishop and a Queen. Did you hear about the new liberal branch of the Church of England? It has six commandments and four suggestions. This book is packed with (mostly) clean, good-natured jokes, riddles and funny stories old and new about clergy, churches and Christianity. Get into the humour habit and prepare yourself for the laughter-life ! Unlike most church joke books, it is from a British rather than American perspective, but it will appeal to anybody looking for jokes for sermons, parish magazines etc or who would just like a good laugh at church life.
