*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

iUniverse. Paperback. Book Condition: New. Paperback. 108 pages. Dimensions: 9.0in. x 4.3in. x 0.3in. Yes, Im Theman. The boy wonder. People love me. Kids think Im cool. Girls are attracted to me. Kids parents think Im special. Im also full of it. I dont know for sure if any of this is true. But you know what I dont care. Its my story and Ill tell it any way I want. As long as I think these things are true, they are. It only matters in my mind. I have a knack for creating my own world. A lot of kids buy into it - they believe Im popular because I tell them I am. They dont know any better. The girls like it that I think they like me. I also work to convince many of them that I like them. And they like that. You see theres a lot of positive feelings going around. I like people. They like me. So everyones happy. Im nice about it, you know. Not cocky at all. I just believe my own press. I believe the reputation Ive created for myself. Of course there are some exceptions- guys who dont accept me for who and what I say I am. I dont know if theyre jealous or if I interfere with their desire to be perceived as cool and popular. Probably both. But I have subtle ways of making my detractors look like jerks. Or getting them blamed for things they didnt do. It all makes for a pretty darned good story. And fortunately for you, if youre reading this, Im going to share it with you. Before I start, let me give you a heads up. First, dont try this stuff yourself. It takes experts like me to make these things work....
