

## How to be a Researcher: A Strategic Guide for Academic Success (Paperback)

By Jonathan St. B. T. Evans

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 2nd Revised edition. 234 x 156 mm. Language: English . Brand New Book. How to be a Researcher provides a strategic guide to the conduct of a successful research career within a university environment. Based on the author's extensive personal experience, it offers down-to-earth advice, philosophical guidance, and discussions of the political context of academic research. This is not a research methods book, and the topics it covers are rarely discussed elsewhere. The bulk of the book provides practical advice on the development of essential skills and strategic approaches, covering questions such as: \* how to decide which topics to work on \* how to read and review literature \* how to develop theory \* how to integrate research and teaching activity \* how to approach research design \* how to obtain and manage research funding \* how to collaborate and supervise effectively \* how to write up your research, and \* how to secure the best sources of publication. The final part of the book considers the philosophy and psychology of research work and includes an exploration of the cognitive biases which may affect researchers. How to be...
