SACRIFICE AND SHARING IN THE PHILIPPINE HIGHLANDS

Hardback. Book Condition: New. Not Signed; The Buid are a group of shifting cultivators inhabiting the highlands of Mindoro. They continue to resist incorporation into the economic, political and ideological systems of the lowland Philippines. This study focuses on the relationship between their value system and their history of resistance to the lowland world. Some of the most striking features of this value system are a thorough-going equality between women and men, old and young; a devaluation of dyadic ties...

Reviews

I actually started off reading this article ebook. It is written in simple phrases instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
