

God's World: Biblical Theology of the Environment

By Ken Gnanakan

SPCK Publishing. Paperback. Book Condition: new. BRAND NEW, God's World: Biblical Theology of the Environment, Ken Gnanakan, Today the environmental crisis is no longer a matter of concern for a few, but for everybody. It concerns global survival. God's World is a study guide looking at themes from the Old and New Testaments involving creation, land and the environment, relating them to a contemporary context. Topics covered include the meaning of man's 'dominion' over the earth, the laws guiding the Israelites care of the land, the new creation through Jesus, eco-feminism and evangelical Christians and the environment. The book combines a discussion of the theology and ethics of the environment as well as looking at a practical, positive response. There is a useful glossary of terms, plus suggestions for discuss and further study.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
