## Welfare: A Documentary History of U.S. Policy and Politics (Paperback)

By -

New York University Press, United States, 2003. Paperback.  
Book Condition: New. 254 x 175 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Federal welfare policy has been a political and cultural preoccupation in the United States for nearly seven decades. Debates about who poor people are, how they got that way, and what the government should do about poverty were particularly bitter and misleading at the end of the twentieth century. These public discussions left most Americans with far more attitude than information about poverty, the poor, and poverty policy in the United States. In response, Gwendolyn Mink and Rickie Solinger compiled the first documentary history of welfare in America, from its origins through the present. Welfare: A Documentary History of U.S. Policy and Politics provides historical context for understanding recent policy developments, as it traces public opinion, recipients experiences, and policy continuities and innovations over time. The documents collected range across more than 100 years, from government documents and proclamations of presidents throughout the 20th century, to accounts of activist and grass roots organizations, newspaper reports and editorials, political cartoons, posters and more. They enable readers to go straight to the source to find out how public...

### Reviews

*This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer compose this pdf.*

-- Ryder Nolan

*This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. Its been printed in an exceptionally simple way in fact it is merely right after i finished reading through this pdf by which basically changed me, modify the way i think.*
